File: 2844.012.305

Dear Mr. Miller:

Pursuant to Mr. Stephen W. Holt's request, we are transmitting to you the enclosed materials relative to the Granite City Remedial Investigation/Feasibility Study, in accordance with your letter to Mr. Holt dated April 24, 1987. The enclosed materials include data packages with QA/QC documentation for the first round ground water samples and the soil and waste pile samples. Also included are preliminary analytical results for the second round ground water samples. The second round ground water data are preliminary pending final review of the associated QA/QC documentation. The final data package with QA/QC documentation for the second round ground water samples will be forwarded to you when it is available.

If you have any questions or comments regarding this matter, please contact me at (315) 451-4700.

Very truly yours,

O'BRIEN & GERE ENGINEERS, INC.
